

# **Oakhurst School Comenius Committee**

Our first meeting –  
17<sup>th</sup> January 2014

# Photos taken by Blake (Y4)

We looked through our letters received from Italy and we are going to reply to these letters in our next meeting.

We are going to make a display in the Key Stage 2 corridor sharing the Christmas cards and letters received from our partners. Some are on display near our staffroom.

We would like to buy some Spanish, Italian and French dictionaries to help us prepare for our visitors coming and to reply to some letters using these languages.

To share information when our partners come to visit in March, we would like to make whole class presentations to give to them.
