

# **Oakhurst School Comenius Committee**

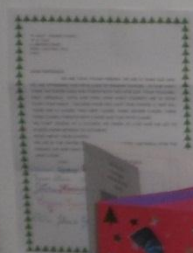

Our second meeting –  
31<sup>st</sup> January 2014

Blake, our committee photographer,  
wanted to share his photograph with you.

In our meeting today, we began to write our replies to Italy. These will be finished in our next meeting.

During our previous meeting the committee wanted to set up a display to share all of the wonderful cards and letters we have received from our partners. We did this today. Look at our photo on the next page!

We would like to welcome our committee to  
you!
